To use this product safely

Precautions · https://manual.amnimo.com/en/docs/precautions/to-use-this-product-safely/

The precautions listed in this section are intended to ensure safe and proper use of the product and to prevent harm or damage to you or others. The contents that may occur if the product is mishandled are classified into two categories: "WARNING" and "CAUTION". Each of these is a serious safety-related warning, so be sure to observe them.

warning sign

 Warning.	Degree of injury that could result in death or serious injury*1 to the user if mishandled.
 attention (heed)	Degree of harm or damage that could result in minor injury*2 to the user or property damage*3 if the product is mishandled.

1 Serious injury is defined as loss of sight, injury, burns (hot or cold), electric shock, broken bones, poisoning, etc. that result in permanent damage or require hospitalization or long-term hospitalization for treatment.

2 Minor injuries include injuries, burns, and electric shock that do not require hospitalization or long-term hospitalization for treatment.

3 Property damage refers to extended damage to the house, household goods, livestock, pets, etc.
