Delete a folder

https://manual.amnimo.com/docs/uncategorized/delete-a-folder/

1. Select "Normal" in the Display Switching. (Figure 1)
2. In the camera list, click Edit. (Figure 2)

3. Click the trash can icon displayed on the folder you wish to delete to save it. The folder will be deleted immediately.
   Folders that contain cameras cannot be deleted because the trash can icon does not appear.
