Change the status of an event

Operation of Event Notification Screen · https://manual.amnimo.com/en/docs/operation-of-event-notification-screen/change-the-status-of-an-event/

You can change the status of an event from the event notification screen.

Select the event (①) and click "Processing" or "Done" to change the event status (②).

NOTE

When the status of an event is changed, the number on the event notification icon disappears.
