Overall system diagram

Overall system diagram · https://manual.amnimo.com/en/docs/overall-system-diagram-en-2/overall-system-diagram-2/

This manual describes how to set up a network using the following configuration as an example.

- **Mobile Connection (rmnet_data0)**

  Connect to the Internet using a SIM.

- LAN connection **(eth0/lan0/lan1)**

  Connects to a LAN to a private network using the eth0/lan0/lan1 interface.
