Installation criteria for AMNIMO portable devices

precautions · https://manual.amnimo.com/en/docs/precautions-en/amnimo-portable-installation-criteria/

- Amnimo portable devices are wearable devices.
- Please handle with care as the device itself may become hot depending on the operating environment and conditions of use.

operating environment	-10°C to 40°C (0°C to 40°C when charging)
Storage temperature	0°C to 30°C
Relative humidity	10 to 90

*If the battery is to be stored for a long period of time, regular recharging is recommended to prevent complete discharge of the battery.
